PETITION TO ACCEPT DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The attached Notice to File Missing Parts indicates that Figures 12 and 13 were omitted from the application. It is submitted that those figures were in fact included with the application as filed as evidenced by the attached postcard receipt stamped by the Patent Office. Note that the receipt indicates 10 total sheets of drawings.

The \$130.00 Petition fee under 37 C.F.R. 1.17(h) is attached. It is requested that a determination be made at that the Figures 12 and 13 were received by the U.S. Patent Office and that the petition fee be refunded. A replacement sheet 10, including Figures 12 and 13, is attached to replace the sheet missing from the Patent Office file. In the event that the petition is not granted, those figures will be entered by amendment since they were also included in the parent application 09/887,960, filed June 22, 2001, which was incorporated by reference in the Related Applications section of this application.

Any deficiency or overpayment should be charged or credited to Deposit Account No. 08-0380.

A copy of this letter is enclosed for accounting purposes.
